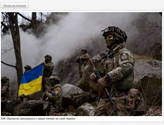
ISW: Окупанти просунулися у трьох точках на сході України

Читань на сторінці 1



Вісімсот Росії Донецьке просунення у районі Кринкіної на Луганщині, а також поблизу Свердська на Чонгарі Від до Донецької Луганської області, на Покровському напрямку, крім наявного усі нових розгорнув, мінно не ставить. Російські війська також просунулися на заході Запорізької області, якщо вже другого дня поспіхом не зафіксовано.

При цьому аналіз з звіті американського інституту дослідження війни (Institute for the Study of War, ISW) за 3 січня. Як зазначають аналітики, українські дні 2 січня продовжували наступальні операції в районі Любимівці, Вовчанська та Тошкі на Харківщині, але підтверджених змін на цій фронті не зафіксовано.
